

Exhibitor & Sponsor Prospectus

The Community Oncology Alliance's (COA's) 2026 *Community Oncology Conference* brings together every facet of independent oncology with the shared goal of ensuring patients have continued access to high-quality, innovative cancer care in the communities where they live and work.

Aligned with the core mission of COA, the 2026 Conference theme is **Innovation in Practice**. Over two days of learning and networking, attendees will get to choose from innovative plenary sessions, along with four unique tracks covering clinical, business, pharmacy, and advocacy topics uniquely targeted to the needs of independent practices.

Joining us at the COA Conference will be 2,000+ leaders from across the industry, including physicians, practice administrators and leaders, pharmacists and pharmacy technicians, nurses and advanced practice providers, and diverse industry stakeholders.

Together they will become more empowered advocates, gain the knowledge to succeed, and network with key decision makers from across the industry. The 2026 *Community Oncology Conference* will be held on **April 28-29, 2026**, at the **Walt Disney World Dolphin Hotel outside of sunny Orlando, Florida**.

Independent community oncology practices across the country are providing patients with high-quality, evidence-based, and cutting-edge cancer care that is affordable and accessible.

How can community oncology practices stay competitive among ongoing consolidation pressures? How and when should care teams integrate new advancements into their clinic? How can practices and patients leverage their collective power to make a difference in policy? Those issues and more will be tackled at the 2026 COA Conference.

Be a part of the best gathering in community oncology – secure your presence as an exhibitor and/or sponsor at the 2026 Community Oncology Conference today!
